

**#EFUF2024 in Zagreb – Draft programme** (as known on 26 February – subject to change and correction)

<b>Day 1 – Wednesday 22 May 2024</b>	<b>Programme activity</b>			
8.30-9.30	Registration, walk in			
9.30-11.00	Welcome and opening session – chair: Clive Davies <ul style="list-style-type: none"> <li>• Welcome speeches</li> <li>• Plenaries – focus on Zagreb and Croatia, including Ines Androić Brajčić (Development of green urban infrastructure in Croatia, Marijo Spajić from the City of Zagreb and Izabela Kuzle from Croatian Forests Ltd. (Sustainable Management of Urban and Peri-urban Forests in the City of Zagreb)</li> </ul>			
11.00-11.30	Coffee and tea break			
11.30-12.30	Keynotes (2) for conference theme 1 – Urban Forests for People and Society – Chair: Clive Davies <ul style="list-style-type: none"> <li>• Wendy Chen and Rik De Vreese</li> <li>• Silvija Krajer Ostoic</li> </ul>			
12.30-13.45	Lunch			
13:45 – 15:00	Workshops and opportunity to see the posters			
	Workshop 1 <i>Empowering Urban Forests - Tree Cities of the World Recognition Program</i> (Ana Macias)	Workshop 2 <i>Old trees in cities – how can they fit</i> (Guy Meilleur)	Workshop 3 <i>Climate fitness through the diversity lens</i> (Mélanie Michel)	Workshop 4 <i>PuppetTREE: Caring for Veteran Trees</i> (Karen Cantor)
15.00-18.00	Study visit to park Maksimir			
18.00-19.30	EFUF General Assembly			

<b>Day 2 – Thursday 23 May 2024</b>				
8.15-8.30	Registration, walk in			
8.30- 09.30	Keynotes (2) for conference theme 2 – Urban Forests for a Sustainable Tomorrow – Chair: Silvija Krajter Ostoic <ul style="list-style-type: none"> <li>• Robert Hostnik</li> <li>• Stefania Gasperini and Junko Oikawa-Radscheit - <i>The role of the European Arboricultural Council in enhancing professionalism in tree care and management</i></li> </ul>			
09.30-10.00	Flash poster presentations, 1 minute each (up to 25) – Rik De Vreese			
10.00-10.30	Coffee and tea break			
10.30-12.15	Parallel sessions			
	<i>1 – Urban Forests for People and Society – Chair: Martina Kičić</i>	<i>2 – Urban Forests for a Sustainable Tomorrow – Chair: Jerylee - Wilkes-Allemann</i>	<i>3 – Urban Forests for All Living Beings – Chair: Vinko Paulić</i>	<i>4 – Urban Forestry Advances – A global journey – Chair: Alan Simson</i>
	<ul style="list-style-type: none"> <li>• Chris David - <i>Tree Equity Score - A tool for climate action in cities</i></li> <li>• Irene Ferigo - <i>How does urban nature play a role towards social justice achievement in the neighborhood of Sants (Barcelona)?</i></li> <li>• Lotte Dijkstra - <i>Arboreal Citizen Participation: More-than-human agency in urban forest planning, design and management</i></li> <li>• Rocco Pace - <i>Art and science in the exploration of urban forest landscapes: a transdisciplinary synergy for psychophysical and socio-environmental well-being</i></li> <li>• Emilia Janeczko - <i>Effects of</i></li> </ul>	<ul style="list-style-type: none"> <li>• Tina Simončič - <i>Urban forests in multi-objective forest management planning in Slovenia</i></li> <li>• Hans Kasperidus - <i>Management and maintenance issues in Leipzig's urban floodplain forest: current potentials and risks</i></li> <li>• Maja Simonetti - <i>The role of public participation in urban forests management</i></li> <li>• Anna Kajosaari - <i>PPGIS tools in Nordic urban green space planning and management – results</i></li> </ul>	<ul style="list-style-type: none"> <li>• Andrej Verlič - <i>Nature protection for all living beings – what does this mean?</i></li> <li>• Edyta Łaszkiwicz - <i>Would you walk through here? Urban wildscapes during utility and recreational walks</i></li> <li>• Chiara Bruni - <i>Bee Forest: Fostering Urban Biodiversity through Citizen Engagement and innovative Funding Mechanisms</i></li> <li>• Lisa Strunk - <i>Tree-related microhabitats (TreMs) among large trees of five</i></li> </ul>	<ul style="list-style-type: none"> <li>• Aaron Shearer - <i>The urban forests of Iceland</i></li> <li>• Romena Huq - <i>How Scottish Forestry innovates in community engagement in urban forests.</i></li> <li>• Stefano Boeri - <i>Parco Italia</i></li> <li>• Toru Toreda - <i>Garden trees as an urban forest: Time series changes in species composition and canopy cover in Tokyo's residential suburbs</i></li> <li>• Thomas Carlin - <i>Antipodean Insights: Successes,</i></li> </ul>

	<p><i>exposure to an urban forest in spring on the psychological response of healthy young adults</i></p> <ul style="list-style-type: none"> <li>Vincenzo Giannico - <i>The Impact of Urban Green and Grey Spaces on Mental Health: Insights from the inhabitants of Rome</i></li> </ul> <p>(talks of 12 minutes)</p>	<p><i>from NORDGREEN project</i></p> <ul style="list-style-type: none"> <li>Marco Fornaciari - <i>The LIFE-CLIVUT experience, a post-pandemic case study of dissemination on climate value of urban trees</i></li> <li>Philip Chambers - <i>Using a location-based game to gather preference data for forest planning</i></li> </ul>	<p><i>species in three old cemeteries of Karlsruhe City, Germany</i></p> <ul style="list-style-type: none"> <li>Iva Franić - <i>Diversity patterns of endophytic tree fungi on European urban-rural gradients</i></li> <li>Anastasia Rubio - <i>eDNA analysis revealed higher biodiversity in park trees compared to street trees and in Karlsruhe (Germany) compared to New Haven (USA) among solitary Norway Maple and Red Oak trees</i></li> </ul>	<p><i>Shortcomings, and Future Challenges of Urban Forests in Aotearoa New Zealand</i></p> <ul style="list-style-type: none"> <li>Sophie Moore - <i>A Snapshot of Urban Forestry in Eastern Australia</i></li> </ul>
12.15-12.45	Flash poster presentations (up to 25, 1 min each) – Chair: Cecil Konijnendijk			
12.45-13.45	Lunch			
14.00-18.00	Field visit to a central forest park and the city centre tour			
18.00-19.30	Free time			
19.30-22.00	Conference dinner			
<b>Day 3 – Friday 24 May 2024</b>				
8.15-8.30	Registration, arrivals			
8.30-9.30	Keynotes (2) for conference theme 3 – Urban Forestry for All Living Beings – Chair: Cecil Konijnendijk			
9.30-10.00	<ul style="list-style-type: none"> <li>Keith Sacre</li> <li>Giuseppe Scarascia-Mugnozza</li> <li>Sharon Durdant-Hollamby – <i>Trees, planning and construction</i></li> </ul>			
10.00-10.30	Coffee and tea break			
10.30-12.30	Parallel sessions			
	1 – Urban Forests for People and	2 – Urban Forests for a	3 – Urban Forests for All Living	4 – Urban Forestry Advances –

	<p><i>Society – Chair: Renate Späth</i></p> <ul style="list-style-type: none"> <li>• Martina Kičić - <i>Inside Zagreb's city districts – the distance and distribution of urban green space influence its perception and use</i></li> <li>• Jaewon Son - <i>Variation in citizens' perception of cultural ecosystem services from Urban green spaces in the Orient and Occident: a case study from Karlsruhe (Germany) and Suwon (Korea)</i></li> <li>• Johanna Krischke - <i>Unfolding the relationship of urban tree species diversity to the subjective well-being of the population - A map-based survey in the urban area of Karlsruhe (South-West Germany)</i></li> <li>• Arne Arnberger - <i>Covid and post-covid recreational impacts - perceptions of land managers in the Vienna metropolitan region</i></li> <li>• Mariachiara Pastore - <i>Forestami: mapping urban green spaces for wellbeing</i></li> <li>• Michelle Whalley - <i>Thrive in the Forest - highlighting the role of urban forests as key infrastructure in education</i></li> </ul>	<p><i>Sustainable Tomorrow – Chair: Robert Hostnik</i></p> <ul style="list-style-type: none"> <li>• Claudia Fongar - <i>The role of organizational structure and adaptive management in co-governing urban forests - The case of a co-governance arrangement in Norway</i></li> <li>• Mirjana Zavodja - <i>Priorities and innovation in urban and rural municipal forests: pilot case Germany</i></li> <li>• Olha Zibtseva - <i>Urban forest planning in a small Ukrainian city</i></li> <li>• Alexander Elton - <i>Exploring Urban Forest Non-Governmental Organisations</i></li> <li>• Alessandro Paletto - <i>Social acceptance of the management of public urban green spaces: a comparative analysis between Romania and Turkey</i></li> <li>• Justin Morgenroth - <i>Urban forest canopy cover goals – an exploration of current practices</i></li> </ul>	<p><i>Beings – Chair: Naomi Zürcher</i></p> <ul style="list-style-type: none"> <li>• Mariella Marzano - <i>Urban Tree Guard- Safeguarding European urban trees and forests through improved biosecurity</i></li> <li>• Benno Augustinus - <i>Tree species composition in and around cities – a biosecurity perspective</i></li> <li>• Cèilidh Smith - <i>Climate change vulnerability and adaptation in urban forestry: A case study from Mission, British Columbia, Canada</i></li> <li>• Beatrice Sorrentino - <i>WRF-Chem simulations at different scales for urban air quality assessment</i></li> <li>• Yasumoto Hoshika - <i>Development of model for optimal tree selection to improve air pollution removal capacity in urban ecosystems - FlorTree</i></li> <li>• Vinko Paulić - <i>Influence of increased soil moisture</i></li> </ul>	<p><i>Concepts and initiatives – Chair: Clive Davies</i></p> <ul style="list-style-type: none"> <li>• Marina Popijač - <i>Importance of forests and green spaces in urban and peri-urban areas – nexus between human well-being and city branding</i></li> <li>• Alan Simson - <i>The Expanding Northern Forest - delivering transformational change in the North of England</i></li> <li>• Jean-Laurent Pfund - <i>From forest to urban trees: Shall we gather all tree specialists to improve planning and maintenance of treescapes?</i></li> <li>• René van der Velde - <i>Climate Arboreta TU Delft: The harvest of three years tree research in living forest labs</i></li> <li>• Hanna Walker - <i>Branching Out: Mapping value in urban treescapes</i></li> <li>• Jerylee Wilkes-Allemand - <i>Developing a concept to assess ecosystem</i></li> </ul>
--	---	---	--	--

	<p><i>policy</i></p> <ul style="list-style-type: none"> <li>David Pearlmutter - <i>Urban trees and pedestrian thermal comfort: the relative contributions of shade and transpiration</i></li> </ul> <p>(talks of 12 minutes)</p>	<ul style="list-style-type: none"> <li>Johan Östberg - <i>Creating a 100-year management plan for a UNESCO world heritage site</i></li> </ul>	<p><i>on tree stability in Zagreb urban forests</i></p> <ul style="list-style-type: none"> <li>Glenn Fischer - <i>Instruments and Inventories for Tree Protection</i></li> </ul>	<p><i>service through citizen sciences</i></p> <ul style="list-style-type: none"> <li>David Myers - <i>Tree Canopy Change in Tear-Down Redevelopment: The Challenges of Housing Densification</i></li> </ul>
12.30-13.30	Lunch			
13.30-14.15	<p>Closing session – Chair: Silviya Krajter Ostoić</p> <ul style="list-style-type: none"> <li>Introducing EFUF membership scheme</li> <li>EFUF 2024 summary</li> <li>Young Urban Forester of the Year award</li> <li>EFUF 2025</li> </ul>			
14.15-18.00	Field visit to the mountain Medvednica (management of peri-urban forests and Nature Park Medvednica)			
<b>Day 4 – Saturday 25 May 2024</b>	<b>Full day post-conference field trip to Varaždin</b>
